Half size bulbs of the above at half these prices

25 Bulbs of any one of these varieties will be sold at twice the 10 Rate.

Ten per cent discount on orders of $5.00 or over in bulbs of my selection.

The Writer thinks that perhaps many of the Bulb Growers "Talk too Much" in their catalogues. Printer's ink costs money and adds little to the value of the bulbs.

So far as descriptions are concerned, no one can paint a word picture of these lovely flowers, and colored plates are seldom accurate. The only way to Know them is to Grow them. They are all good, and some are better than others.

THE CUSTOMER MUST BE SATISFIED!

Thanks are extended to the many Customers and Friends visiting our garden beside the State Road, one mile north of Freeport Village. We plan to enlarge our plantings in this same location the coming summer, and all are invited to call and look around. These flowers, through August and September, should be worth quite a drive to see. You will not be asked to buy, but if interested, will be able to see just how each variety looks.

Our bulbs are wintering in our Cold Storage Cellar at a temperature of 35 to 45 degrees, which insures solid, clean, insect-free bulbs.

TERMS ARE AS FOLLOWS

5 bulbs at the Ten Rate and 25 at twice the price of 10. Orders of $1.00 or less, cash with order and 10 cents for postage if by mail. On orders of over $1.00, remit 25 per cent with the order, which will be delivered to you free of carriage charges. If you have ordered bulbs from us before, you can forget the deposit. Just send along your order. All orders accepted subject to stocks on hand at time order is received.
